SANTINIKETAN

NOTIFICATION

It has come to the attention of the administration that several faculty members who obtained official approval for departmental detention for the Summer Vacation 2026 were not available in their respective departments when they were connected. This constitutes a serious non- compliance with the approved proposals. Therefore, all principals are hereby directed to strictly enforce and monitor the physical presence of detained faculty members. Any future instance of unauthorized absence will result in the immediate cancellation of the detention approval.
